

Event-Partnership

AmCham Germany offers you the opportunity to promote your company at a number of events across Germany. An event partnership is an outstanding chance to present your company to the AmCham global network. We offer you exclusive and numerous marketing advantages and provide all partners with an excellent profile and transatlantic platform.

Annual Membership Meeting

The Annual Membership Meeting, held each spring, offers leading speakers from government and industry while providing your company a platform to AmCham Germany members from around the country. Benefits include exposure on print materials (invitation, guest list, etc.), mention in commerce germany, presentation of logo at the event, opportunity to distribute informational material, preferred seating, additional guests free of charge and invitation to a special thank-you ceremony.

AmCham Transatlantic Partnership Award Ceremony and Dinner

Every autumn we present the AmCham Transatlantic Partnership Award, recognizing significant contributions to the German-American relationship. This top level event attracts guests from business, politics, culture and the media. Benefits include exposure on print materials (invitation, guest list, etc.), mention in commerce germany, presentation of logo at the event, preferred seating, additional guests free of charge and active involvement at the ceremony.

Annual Transatlantic Business Conference

With keynote speeches, panel discussions and practice-focused workshops addressing a range of issues affecting German-American business ties, the conference fuels discussion and provides strategic inspiration each autumn. Benefits include exposure on print materials (invitation, guest list, etc.), mention in commerce germany, presentation of logo at the event and additional guests free. Workshop partners can present both their expertise with participants as well as distribute information at their own information stand.

Regional New Year's Receptions

Members and special guests are invited to receptions around the country to celebrate the beginning of a new year. Benefits include mention of sponsor on invitation, logo presentation at the event, mention in commerce germany, additional guests free of charge and a networking platform.

Seminars, Roundtables, etc.

We offer briefings, lectures and seminars on a regular basis in conjunction with your top experts in German-American business. Benefits include a nationwide mailing list, mention in commerce germany, up-to-date agendas and presence on our website.

Regional Business Luncheon, Forum or Dinner

Throughout the year we present top speakers at networking events around the country. Benefits include logo on print materials (invitation, guest list, etc.), recognition at the event, option to distribute information material and preferred seating.

Regional Business After Hours Events

Companies utilize the Business After Hours forum to present themselves to a group of the region's leading professionals from our network. Benefits include presentation of your company, logo on print materials (invitation, guest list, etc.) and a networking platform.

Please contact me with further information for the events selected above.
