Spezialtechnik-Group Dresden

Special Technologies in Line of Duty for Industry and Environment

- ✦ *Modernization and maintenance of rail-bound vehicles*
- ✦ *Environmental-right disposal of conventional munitions and explosives*
- ✦ *Special service in the construction and environmental sector*
- ✦ *Production of high-mass prefabricated reinforced concrete elements*
- ✦ *Water Technology and environmental monitoring*
- ✦ *Real estate development and immovables management.*

GA-Engagement in Germany

- **Acquisition of the Spezialtechnik-Group by GA in 1992**
- **Extensions since 1992:**
 - **1995 Spezial- und Bergbau-Servicegesellschaft Lauchhammer mbH**
 - **1997 B+F Beton- und Fertigteilegesellschaft mbH Lauchhammer**
 - **2000 EST Entsorgungsgesellschaft mbH**
 - **2002 GBM Gleisbaumechanik Brandenburg/H. GmbH**
 - **2004 Special Ammunition Services GmbH (2008 merged to Spreewerk Lübben GmbH)**
 - **2007 ISL Spreewerk d.o.o., Zagreb**
 - *Investments since 1992 more than 100 mill €.*

SPEZIALLEISTUNGEN

SGL Spezial- und Bergbau-Servicegesellschaft
Lauchhammer mbH

BETONFERTIGTEILE

B + F Beton- und Fertigteil-
gesellschaft mbH Lauchhammer

UMWELTLEISTUNGEN

Umwelt- und Ingenieurtechnik
GmbH Dresden

SERVICE

Spezialtechnik Dresden
Service GmbH

SPEZIALTECHNIK

GBM Gleisbaumechnik Brandenburg/H. GmbH

Maintenance and Service / Modernization and Conversion of Rail-bound Vehicles

GLEISBAUMECHANIK

SPEZIALTECHNIK

GBM Gleisbaumechnik Brandenburg/H. GmbH

High-efficient, flexible maintenance and service company with excellent know-how in producing special rail vehicles.

Spreewerk Lübben GmbH

Environmental-correct Disposal of Conventional Munitions

SPREWERK

SPEZIALTECHNIK

Spreewerk Lübben GmbH

Disposal of bombs, mines of any kind, pyrotechnics, incendiary matters (also napalm), objects covered or contaminated with explosives, rockets - guided and unguided, conventional ammunition all calibers.

EST Entsorgungsgesellschaft mbH

Disposal / Recycling of Explosives - Treatment of Special Matters

ENTSORGUNG

SPEZIALTECHNIK

EST Entsorgungsgesellschaft mbH

Most modern explosives incineration plant worldwide

Capacity: 14 tons/d

Energetic recycling – conversion into electric energy of the chemical energy bonded in the explosives and propellants.

SGL Spezial- und Bergbau- Service- gesellschaft Lauchhammer mbH

Special Services in the Construction and Environmental Sector

SPEZIALLEISTUNGEN

SPEZIALTECHNIK

SGL Spezial- und Bergbau- Service- gesellschaft Lauchhammer mbH

Environmental-friendly and innovative services in the fields of soil engineering, construction ground and slope stabilization, civil and hydraulic engineering, contaminated area restoration and demolition of industrial buildings not used any longer, landscape gardening, mining service, laboratory services.

SPEZIALLEISTUNGEN

SPEZIALTECHNIK

B+F Beton- und Fertigteilgesellschaft mbH Lauchhammer

Production of Special High-Mass Prefabricated Reinforced Concrete Elements

BETONFERTIGTEILE

SPEZIALTECHNIK

B+F Beton- und Fertigteilgesellschaft mbH Lauchhammer

**Production of shafts, canals, collecting facilities, box units, vehicles scales, bridges, collecting basins for tracks, special construction elements;
Delivery / Assembly for the fields communication, supply and disposal, traffic, environmental protection, construction engineering.**

BETONFERTIGTEILE

SPEZIALTECHNIK

Water Technology and Environmental Monitoring

Umwelt- und Ingenieurtechnik GmbH Dresden

Water technology:

Consulting, planning, plant construction, and project management in the field mining/mining remediation, industrial waste waters, special applications incl. biotechnology

Environmental monitoring:

Engineering/Software, delivery/installation, system care for monitoring systems as well as integration of hydrological, radiological, meteorological and further monitoring parameters.

UMWELTLEISTUNGEN

SPEZIALTECHNIK

Spezialtechnik Dresden Service GmbH

Real Estate Development and Immovables Management

Spezialtechnik Dresden Service GmbH

**Administration/management of industrial and commercial parks
(about 330 ha)**

Locations:

Dresden-Klotzsche, Lauchhammer, Kittlitz, Mittenwalde, Berlin (BBI).

Spezialtechnik-Group Dresden

Affiliated Companies of the General Atomics Group, San Diego, California

- **Reliable**
- **Long-term oriented**
- **Successful**

By means of:

- **flexibility and engagement**
- **mutual utilization of synergies**
- **expert competence**
- **confidence.**
