Background

Björn Helfer joined KPMG in 2019 and works as Senior Manager with KPMG Accounting & Process Advisory, Münster.

Björn is a certified public accountant and has about 10 years experience in assurance and advisory services. During his career he gained extensive experience in post-merger integration within the US-German environment.

He has encompassing experience in leadership of IFRS/US GAAP audit and international accounting projects, strengthened through his work in the US from 2016 to 2019.

In addition, Björn deepened his knowledge in auditing and leading implementation projects, project management experience in steering, monitoring and leading multidisciplinary and international audit and project teams.

Function & Specialization

- Accounting & Process Advisory
