## Education, Licenses & Certifications

- Diplom Kauffrau (MBA equivalent), auditor, tax consultant, business coach (dvct e.V)
- Languages: German, English

## Background

Verena Brandt joined KPMG in 2008 and works as partner with KPMG Risk & Compliance Services, Düsseldorf.

Verena is a certified public accountant and has about 28 years experience in auditing and advisory services along financial reporting and corporate governance topics. This includes the implementation and enhancement of international compliance programs as well as assurance and advisory on risk management, internal controls and sustainability reporting.

During her career she has worked with large globally operating listed Companies as well as mid-sized enterprises throughout various industries. Her current focus lies on supporting clients understanding and implementing new regulatory requirements in the context of ESG, in particular establishing adequate governance and reporting processes.

## Function & Specialization

- Risk & Compliance Services
