

Smart Decisions. Lasting Value.

At Crowe Frankfurt, we offer our clients specialized services in the fields of audit, tax and advisory. We provide our services to all kinds of corporations, organizations and associations of various sizes across different industries, and to individuals. We know our clients inside and out – from understanding their tax and audit concerns to maintaining a global view of their industries and markets.

Represented worldwide: Crowe Global

We have been a member of Crowe since 2001: Crowe is one of the world's largest global networks of independent accounting and advisory services firms. With more than 200 representations in 130 countries, more than 35.000 employees work for Crowe Global in over 764 offices.

More than 3.700 partners in all member companies perform competent services for well-known companies, organizations and associations in local and global markets. As a result, our clients benefit directly from our global networking and the combined know-how of all member firms.

International experience and established expertise from Frankfurt/M

We understand the specific business and legal regulations that each client has to deal with. Our team brings comprehensive knowledge, broad experience and personal dedication to every kind of task, especially in international business relations.

The highest quality and client-oriented service is not only our aim, but an integral part of our corporate culture. Our corporate culture is also characterized by an international orientation. This international outlook is reflected in all of our services and in our client structure as well.
