

Impact of the U.S. Midterm Elections 2022

The impact of the U.S. Midterm Elections 2022 on global affairs and transatlantic relations is currently the center of much attention, which is why AmCham Germany asked its members for their feedback in a short survey with three main questions. The survey was conducted between November 10–14, 2022. 101 members participated. All percentages are rounded.
