Sources: The basis for the ranking is information from relevant companies or estimates by AmCham Germany and Accenture that are marked as such.

Reference date for the estimate: October 6, 2026.

1) Estimate.
2) Taken from company website or company's annual report.

In cases where no corporate entity is given (e.g., GmbH, AG or KG), sales are generally combined from multiple sources; that is, from various associated companies.

ABOUT THE RANKINGS

Each year, AmCham Germany releases its ranking of the TOP 50 U.S. companies in Germany and the TOP 30 largest U.S. employers in Germany. The TOP 50 ranking lists the largest companies with more than 50% U.S. capital in Germany in terms of revenue. It refers to the 2025 fiscal year.

The revenue and employee figures are partially derived from estimates prepared exclusively by AmCham Germany and Accenture. Companies for which no substantiated or reliable estimates could be established are not included in the ranking. All remaining data has been compiled from official company websites and/or annual reports, in accordance with SEC reporting requirements.
