AmCham Germany: The Voice of Transatlantic Business

AmCham Germany's support committee, the IBC, provides a platform for SMEs to discuss business developments and issues with a focus on transatlantic trade. It fosters dialogue between AmCham Germany's member companies, German & US SMEs in general as well as trade institutions worldwide.

AmCham Germany is membership-led and membership-driven. The expertise and commitment of our 3,000 member companies enable us to advocate a healthy business climate in Germany, making us a well-respected voice on transatlantic business among all relevant stakeholders.

Mission: Access Your Global Network

The American Chamber of Commerce in Germany strives to enhance global economic and trade relations built on a strong foundation of American and German partnership.

We actively support and promote our members' interests through our global networks in business, politics and AmChams worldwide. AmCham Germany enables cross-cultural understanding, cooperation and new investment through our commitment to transparent dialogue, unrestricted trade and a competitive and open business climate.
